**ENSAT FACT SHEET**

**Information valid for academic year  
2019-2020**

**Name of the university** Institut National Polytechnique de Toulouse  
**Erasmus code** F-TOULOUS28

**Institut National Polytechnique of  
Toulouse**

TOULOUSE INP is a multi-cultural University in the South West of France. With 6 campuses and 21 research laboratories, it offers you the opportunity to study and carry on research in a dynamic and multidisciplinary university with more than 6.000 students and 600 PhD students. Initially INPT was composed of three engineering schools: ENSAT, ENSEEIHT, ENSIACET. Three other schools: ENIT, ENM, EIP have since joined Toulouse-INP (<http://www.inp-toulouse.fr>)

## Integration and French courses with Toulouse-INP international incoming students

4 weeks in August, highly recommended

<http://www.enseiht.fr/fr/actualites/summer-school-2019.html>

### Application Procedures

<http://www.ensat.fr/en/international/incoming-exchange-students.html>

All candidates must be nominated by the international office of their home University, addressed to the ENSAT International Office ([rel-int@ensat.fr](mailto:rel-int@ensat.fr)). Nominated candidates will receive a link to submit their application on the e-mobility platform, whereby they will be directed on the application portal. Steps to take:

- Register on the platform. Start a new application; A new page, with a list of headings on the left, will appear.
- Upload all the documents required on the e-application mobility platform as listed in:  
<http://www.ensat.fr/en/international/incoming-exchange-students.html>
- Send the pre-application form, found on the page opened in the above link, making sure that the name of the specialization or Master course is mentioned as well as the list of course modules that will be followed.

### Application Deadlines

**June 1st:** For the Fall semester starting Mid-September

**November 1st:** For the Spring semester starting 1st February

### ENSAT Contacts

<b>Head of International Relations</b>	Mrs Prof Jean Kallerhoff, <a href="mailto:jean.kallerhoff@ensat.fr">jean.kallerhoff@ensat.fr</a>
<b>Administrative Officer</b>	Mrs Françoise Eftymiades, <a href="mailto:francoise.eftymiades@ensat.fr">francoise.eftymiades@ensat.fr</a>
<b>Academic Advisor for the two-year Agrofood Chain Master fully held in English (Admissions either in Master 1 or 2 level)</b>	Associate Professor Ms Geneviève N'Guyen, <a href="mailto:genevieve.nguyen@ensat.fr">genevieve.nguyen@ensat.fr</a>
<b>Academic Advisors for engineering specialisation courses (Master 2 level), held in French</b>	<b>Plant Biosciences:</b> Professor Ms Martina RICKAUER: <a href="mailto:martina.rickauer@ensat.fr">martina.rickauer@ensat.fr</a> <b>Agrogeomatics:</b> Associate Prof. M. David SHEEREN: <a href="mailto:david.sheeren@ensat.fr">david.sheeren@ensat.fr</a> <b>Agro-Management – Project management, Agri-business:</b> Associate Prof. Ms. Valérie OLIVIER, <a href="mailto:valerie.olivier@ensat.fr">valerie.olivier@ensat.fr</a> <b>Food Industry – Innovation in relation to Food Sciences:</b> Professor Ms Florence MATHIEU, <a href="mailto:florence.mathieu@ensat.fr">florence.mathieu@ensat.fr</a> <b>Livestock farming systems:</b> Associate Professor, Ms Zulma VITEZICA, <a href="mailto:zulma.vitezica@ensat.fr">zulma.vitezica@ensat.fr</a> <b>Environmental Engineering – water and waste management and treatments:</b> Professor M. Eric PINELLI, <a href="mailto:eric.pinelli@ensat.fr">eric.pinelli@ensat.fr</a> <b>Environmental quality and resource management – risk management, management of agricultural impacts :</b> Professor M. Pascal LAFFAILLE, <a href="mailto:pascal.laffaille@ensat.fr">pascal.laffaille@ensat.fr</a> <b>Computational biology for Biotechnologies:</b> Associate Professor M. Mohammed ZOUINE, <a href="mailto:mohamed.zouine@ensat.fr">mohamed.zouine@ensat.fr</a> <b>Agro ecology, environment, territories – sustainable development and land use,</b> Professor M. Jean-Pierre SARTHOU, <a href="mailto:Jean-Pierre.Sarthou@toulouse.inra.fr">Jean-Pierre.Sarthou@toulouse.inra.fr</a>

## The National Diploma in Oenology

Professor Ms Patricia TAILLANDIER, [Patricia.Taillandier@ensiacet.fr](mailto:Patricia.Taillandier@ensiacet.fr)

<http://www.ensat.fr/fr/formations/diplome-national-d-oenologue.html>

### Academic Advisors for Master courses (Master 2 level), held in French

#### Ecosystems and anthropisation

Associate Professor, Ms Séverine JEAN, [severine.jean@ensat.fr](mailto:severine.jean@ensat.fr)

**BING** : Bioengineering : Health and food

Associate Professor M. Benoit Van der Rest, [benoit.van-der-rest@ensat.fr](mailto:benoit.van-der-rest@ensat.fr)

**SIGMA**: Geomatics

<http://sigma.univ-toulouse.fr/en/welcome.html>

Associate Professor M. David Sheeren, [david.sheeren@ensat.fr](mailto:david.sheeren@ensat.fr)

**ADAM**: Plant Biosciences

<http://sciences-vegetales.univ-tlse3.fr/master-mention-biologie-vegetale-612244.kjsp?RH=1449138073206&RF=1452157045515>

Professor M. Mondher Bouzayen [mondher.bouzayen@ensat.fr](mailto:mondher.bouzayen@ensat.fr)

## Academic Information

### Language requirements

Engineering courses: French B1+ / English B1+  
Agrofood Chain Master course: English B2

### Study requirements for incoming students

The learning agreement should contain at least **20 ECTS per semester**, in the **same engineering specialisation or Master course**. Students will need to have proven records in the prerequisites to follow the courses they wish to enroll in.

### Grading policy

Our grading system requires a minimum score of 10 to validate every Academic Unit (UE). It is a 20-point scale with the following scores:

0-<8 = fail

≥8-10 = students can take another exam in 2<sup>nd</sup> session,

10 = average, (≈ GPA of 2)

12 = good, (≈ GPA of 3)

14 = very good, (≈ GPA of 3.7)

≥16 = excellent, (≈ GPA of 4.33)

18 and above = congratulations.

In practice, outstanding students get a score ≥15. (≈ GPA of 4)

## Miscellaneous

### University Hall of residence (CROUS)

This can be booked for one or two semesters through the ENSAT accommodation services.

**Private Accomodation**

<http://en.univ-toulouse.fr/life/accomodation>

**Cost of living**

Accommodation: ≈250-300 €/month (CROUS Dormitories) and as from 300 €/month (private). Governmental housing allowance can be requested by [www.caf.fr](http://www.caf.fr)  
Public transport (bus, tram and metro) 18€ per year for the pass card and 10 €/month for students <26 years of age  
University restaurants : 3.25€/meal

**Insurances**

1. Civil liability insurance (compulsory) ≈ 15€/ year, payment on registration
2. Household liability (compulsory) ≈ 25€/year  
Some insurances( [www.assurances-etudiants.com](http://www.assurances-etudiants.com)) cover both civil liability & accommodation ≈ 30€ / year
3. Free health insurance through the governmental policy (refunds 70% of medical cost)
4. Complementary health insurance (highly recommended in the event of surgery) : 18€/year (refunds about 30% of most medical costs)
5. EU students are requested to travel with their European Insurance card.

**Visa**

EU students: No visa required

<http://www.campusfrance.org/fr/page/sinscrire-a-partir-dun-pays-de-lunion-europeenne>

Non-EU students: Contact the consular section of the French Embassy of your country  
<http://www.campusfrance.org/fr/rubrique/preparer-son-sejour>

**Logistics Assistance**

<http://www.ensat.fr/en/student-life/organize-your-stay.html>

Toul'Box proposes a comprehensive set of services designed to help you to prepare your stay, from early project to complete installation. (Welcome Pack: free; Start Pack 100€ ;All in Pack 220€).
