

My best wishes to all of you for 2019 !

I would like to take this opportunity to give you additional information about the summer school courses organized by ISIT from mid-June to the end of July 2019 which your students, whether young professionals or teachers in French as a Foreign Language (FLE), can benefit from.

We offer the following courses:

- a 3-week summer school course from June 24 to July 12 aimed at international students who wish to enhance their level of French and gain some initial knowledge about intercultural management ;
- a 2-week summer school course from June 24 to July 5 dedicated to teaching French as a Foreign Language (FLE);

Finally, we offer a 4-week course from June 24 to July 19 in “Intercultural Digital Strategy” within the framework of the France Excellence Program (EEFE) run by the French Embassy in Beijing. This tailored program is targeted at international undergraduate and Master’s level students wishing to pursue doctoral studies in France.
