

Dear student,

the University of Sassari will be glad to host you for the first term or the whole academic year 2019/20.

We kindly invite you to fill in the online [APPLICATION FORM](#) **within the 15th July 2019.**

We inform the incoming students that the language levels recommended by our University, according to the inter-institutional agreement, are: Italian B1, English B1. These language levels are not mandatory but strongly recommended so we invite students to pay special attention to their linguistic preparation before coming and, once arrived in Sassari, attend the Italian language courses organised by our University (<https://en.uniss.it/study/study-italian/cils-certification-0>).

For more information read our guide for incoming students: [WELCOME GUIDES](#) or contact me.

Kind regards.
