

Dear student,

Today we would like to share with you our new video about the [enrollment process for exchange students](#) at the University of Mannheim!

Feel free to follow two exchange students - Evelynne (a Non-European student) and Alex (an European student) - during their enrollment at our university. If you wish, you can share this video with your future nominated students to give them an idea of what to expect when they arrive at the University of Mannheim.

The [International Exchange Students Team](#) of the International Office is looking forward to welcoming your students to our institution. We will do our best to support them during their time in Mannheim and hope they will recall their study abroad period as a time of fond memories.

More information on our [Welcome Week](#) and the upcoming enrollment as well as the [video](#) are available at our [enrollment website](#).

We are very much looking forward to welcoming your outgoing students in Mannheim in August!

All the best,
