

Greetings from Riga Technical University, Latvia! We are proud to inform you that this year RTU Foreign Students Foundation and Short-Term Courses Unit is offering six summer schools for students:

 *Robotics: Real Life Applications (scholarships available)*

 *3D Animation World (scholarships available)*

 *Cultural Aspects of Latvian Language (scholarships available)*

 *Cultural Shock*

 *Social Innovation and Intensive English Summer Camp*

There are Latvian Government Scholarships available in three of these summer camps!!! The scholarships for the Summer Schools covers the tuition fee, accommodation, company field trips, entertainment activities and catering (breakfast and lunch during working days).

Information on the availability of the Scholarship can be found at the State Education Development Agency, which is subordinated to the Ministry of Education and Science:
