

Internship WFI Summer School “Firms in Society” 2020

Start: tbd

Duration: 2-6 months (must cover July and August)

WFI forms part of the Catholic University Eichstätt-Ingolstadt (KU), a modern university in the heart of Bavaria, about 80 km north of Munich. It is a state-approved university supported by a Catholic foundation. It is the only Catholic university in the German-speaking area and is open to students of all denominations as well as to students not belonging to any denomination. In Bavaria, it is currently the smallest university with about 5,000 students (4,000 in Eichstätt, 1,000 in Ingolstadt), but according to a current ranking it is the most popular one. WFI's small campus enables many encounters and facilitates local integration. The city of Ingolstadt is located within an important economic region with the lowest unemployment rate in Germany, has 130,000 inhabitants and offers many cultural, shopping and recreational attractions. Other fascinating cities such as Munich, Nuremberg, Regensburg, Augsburg or Bamberg are easy to reach by train.

Fifty participants from all over the world will attend the WFI Summer School “Firms in Society” from July 27 to August 7, 2020. They will attend high-class courses on the role of firms in society, experience real world business insights with entrepreneurial champions, gain a deeper insight into German and especially Bavarian culture and visit Neuschwanstein castle. More information is available at <https://www.ku.de/wwf/international/wfi-summer-school/> and <https://www.facebook.com/WFI-Summer-School-975135125855309/>.

We are looking for YOU as an intern that will join our summer school team - the Chair of Microeconomics and the International Office - and will help coordinating and organizing the summer school. You will co-manage the summer school applications and social media accounts, attend all site visits and be the initial point of contact for the participants during the two weeks. You will have plenty of opportunities to contribute your own ideas and you will get the chance to organize other events and projects of the International Office, too. Knowledge of the German language helps but is not required. This is an unpaid internship, but depending on the requirements of your home university, an Erasmus+ grant is possible. Of course, we will be glad to help you find a flat in Ingolstadt.

Please e-mail your application to international1@ku.de to the Deputy Director of the International Office, Dr. Andreas Riffel, by **February 16, 2020** (please send all documents in a single pdf file). He will be glad to answer any questions you may have. Required documents are a résumé, your latest transcript of records and a one-page letter of motivation (in English or German). In accordance with data protection regulations, we will destroy all submitted application documents after the selection process is completed.

We look forward to hearing from you!
