 PNU International  
PUSAN NATIONAL UNIVERSITY

Dear Colleagues,

Greetings from Pusan National University (PNU) in Busan, South Korea!

This is Rachel (Jinkyong Kwon) in charge of PNU Summer School from PNU International, and I'm writing to let you know upcoming **2020 PNU Summer School**.

We have two primary sessions in 2020 PNU Summer School, a five-week course (**Session A : June 24 – July 22**) and a three-week program (**Session B : July 23 – August 11**), with both featuring either a Korean culture and language immersion track or a more intensive academic track. Both sessions also include a variety of cultural activities outside of the classroom.

Busan schedules 12 months of fests and fun city will never disappoint the students to experience extracurricular activities and one of the best (and safest) nightlife experiences anywhere in Asia. It is a great place to be in the summer time, especially with the road along the beautiful coastline as the city features of Busan, South Korea's. Furthermore, lots of unique tourist attractions including the most famous beach Haeundae and tasty eats in Korea's seaside city make visitors awesome memories in their life!

Please promote **2020 PNU Summer School** to your students, and feel free to contact me([summer@pusan.ac.kr](mailto:summer@pusan.ac.kr)) with any questions you have concerning our Summer Program.

Wishing you a lovely day,

Sincerely,
