

Dear Partners and Colleagues,

Greetings from Riga Technical University (RTU), Latvia! We are proud to inform you that this year RTU International Cooperation and Foreign Students Department is offering eight summer schools for all international students and personnel from all around the globe. Besides, it is important to point out that **four** of eight summer camps received [Latvian Government Scholarships](#) available for some of the regions. The summer schools we are offering are:

- ⇒ [Robotics: Real Life Applications](#) (**scholarships available**)
- ⇒ [3D Animation World](#) (**scholarships available**)
- ⇒ [Smart Emerging Technology. Iot For Smart Cities](#) (**scholarships available**)
- ⇒ [Riga – The Pearl Of Latvian Wooden Architecture](#)(**scholarships available**)
- ⇒ [Cultural Aspects of Latvian Language](#)
- ⇒ [Cultural Shock. Social, Business and Engineering Perspectives](#)
- ⇒ [Intensive English](#)
- ⇒ *North Europe Summer Language Camp (upon request)*

The scholarships for the Summer Schools cover the tuition fee, accommodation, company field trips, entertainment activities and catering (breakfast and lunch during working days).

Information on the availability of the Scholarships can be found at the State Education Development Agency, which is subordinated to the Ministry of Education and Science:
