German Language Courses

In September and March, before the start of term, Goethe University offers an **Intensive German Language Course** ("DIA") designed especially for visiting students. The course is **free of charge** for Erasmus students. **Students who want to enroll in the language course have to indicate it on the online Erasmus application form.**

Since the summer semester 2019, a course for level A1 will also be offered for guest students. Nevertheless, **B1** remains the official minimum level required by Goethe University.

During the semester the "Internationales Studienzentrum" offers **various German language courses** ("studienbegleitende Deutschkurse"), even a course for level A2.

Students can find the schedule in the course catalogue -> course overview -> other courses -> Internationales Studienzentrum -> Deutsch im Studium -> Kurse für Programmstudierende (Erasmus). Students need to enroll through QIS/LSF (<https://qis.server.uni-frankfurt.de>). Students can contact the German as a foreign language department (*Internationales Studien- und Sprachenzentrum* (ISZ)) (deutsch-im-studium@uni-frankfurt.de), for any questions pertaining to the courses and how to register.

Recommended language skills

The sending institution, following agreement with our institution, is responsible for providing support to its nominated candidates so that they can have the recommended language skills at the start of the study or teaching period. **If nominated students do not reach the required level, they should contact their departmental coordinator at Goethe University, in order to check if exceptions are possible or not. The decision should be forwarded to Ms Freier.**

Student Mobility for Studies		German	B1
