## Practical information

### Visa

The Université de Bretagne Occidentale will provide assistance, when required, in securing visas/residence permits for incoming and outbound mobility participants, according to the requirements of the Erasmus Charter for Higher Education. UBO students should apply for a residence permit via the International Mobility Centre (CMI). Information and assistance can be provided by the following contact points and information sources:

### Insurance

Students from a Member State of the EU, EEA or Switzerland and entitled to coverage under the social security system of their country, can apply for the European Health Insurance Card (EHIC). While the EHIC card gives EU citizens access to medically necessary, state-provided healthcare during a temporary stay, it is NOT an alternative to travel insurance. It does cover NEITHER accidents NOR any private healthcare or costs such as a return flight home country or lost/stolen property.

### Housing

Students enrolled in an international exchange program can apply for a room in a student residence hall. All the information about the application is sent by the UBO international office once the student is nominated. There are three residence halls in Brest, all located at walkable distance from the university.

Private housing is plentiful and affordable compared to other French cities.
