In this guide you will find all the information you need about the courses you can take during your stay at the University of Valladolid, as well as how to consult class timetables and examination dates.

Information on all the courses offered at the University of Valladolid is available on [our website](#).

Although most courses at the UVa are taught in Spanish, a number of **courses are also offered in English**. These courses are listed in the document "[Study in English at the UVa](#)".

As an exchange student, you may combine courses from different degree programmes within the faculty or school to which your mobility is assigned. You may also include courses from other faculties or schools on the same UVa campus, provided that this is approved by the academic coordinators at both institutions.

If your study programme includes **master's-level courses**, you must obtain approval from the person responsible for the corresponding master's programme.

You must ensure that the courses you select are offered during the **period** of your mobility: first semester, second semester or full academic year.

The screenshot shows the website interface for the University of Valladolid. At the top, there is a navigation bar with links for 'English', 'Directorio', 'Comunidad', 'Correo', and 'C. Virtual'. Below this is the university's logo and name. The main navigation menu includes 'LA UVA', 'ESTUDIOS', 'INTERNACIONAL', 'INVESTIGACIÓN', and 'VIVE LA UVA'. The 'Estudios' section is active, showing a breadcrumb 'Inicio | Estudios'. The main heading is 'Portal del estudiante'. Below this is a large banner image of a student in a library. Underneath the banner are four tiles: 'Acceso y admisión a los estudios', 'Grados', 'Másteres', and 'Máster de secundaria'. Two hand icons are pointing to the 'Grados' and 'Másteres' tiles.

Within the undergraduate and master's academic offer, you may filter the different study programmes by the campus where they are taught and by the corresponding field of knowledge.

Please note that the University of Valladolid has **campuses** in the cities of Valladolid, Palencia, Segovia and Soria, and you must ensure which of these campuses your international mobility is assigned to.

The screenshot shows the 'Oferta' (Offer) page on the University of Valladolid website. The page is filtered for the 'Valladolid' campus and 'Artes y Humanidades' (Arts and Humanities) field of knowledge. The filters are as follows:

- CAMPUS:** Valladolid (selected), Palencia, Segovia, Soria.
- RAMAS:** Artes y Humanidades (selected), Ciencias, Ciencias de la salud, Ciencias Sociales y Jurídicas, Ingeniería y Arquitectura.
- TIPO DE ESTUDIO:** Todos (selected), Presencial, Semipresencial, Virtual.
- HABILITACIÓN:** Todos (selected), Habilitante, No habilitante, Vinculado a profesión regulada.

The main content area displays six degree programs, each with a 'Va' button and a user icon:

Some courses may have several theory groups (T) and several subgroups created for different types of activities, laboratories or seminars (A, L or S).

As an international exchange student, you may choose the theory groups (T) that best suit you in order to organise compatible timetables. If you inform us of the groups you have selected, we will try to enrol you in them whenever places are available.

Subgroups (A, L or S) are created by the teaching staff at the beginning of each semester. You will therefore need to contact them in order to request inclusion in the subgroup that best suits your needs.

It is possible to activate or deactivate the different groups into which each course is organised in order to check which combinations best allow you to coordinate the timetables of all your courses.

By selecting each class session, it is also possible to obtain information about the location where it is taught.

In the “Horarios” menu, it is also possible to consult the timetables for all the courses included in the corresponding study programme.

The screenshot shows the website interface for the University of Valladolid. At the top, there are navigation links for English, Directorio, Comunidad, Correo, and C. Virtual. Below the university logo and name, there is a main navigation bar with links for LA UVA, ESTUDIOS, INTERNACIONAL, INVESTIGACIÓN, and VIVE LA UVA. A breadcrumb trail indicates the path: Inicio | Estudios | Grado | Oferta. The main heading is 'Oferta de Grado' followed by 'Grado en Estudios Ingleses (Plan modificado)'. Once your enrolment has been completed and you have access to the [Virtual Campus](#), you will be able to consult there the timetables for the courses in which you are enrolled.

Within this application, you may select the groups assigned to you for each course and save your preferences, so that only the timetables for those groups will be displayed from then on.

To find out which group has been assigned to you for each course, you must consult the enrolment document that we sent you after your registration was completed.

If the timetables of any of your courses overlap, you may check whether the course offers another group with a compatible timetable. If so, you simply need to request a **group change** by email.

If there are no groups with compatible timetables, you will need to **change your courses** by modifying your Learning Agreement.

Within each study programme, the “**Fechas de examen**” menu provides access to the examination dates for all its courses. This will allow you to check that your examination dates do not overlap and to have an idea of when your international mobility period will come to an end. Please note that, after the first examination session, a second resit examination session takes place.
