--

- 4 - Decision notification for study abroad and for student housing between **June 15th and 30th**.

Accommodation related information

<p>Is student housing available for exchange students ?</p>	<p>Yes. University housing is available for exchange students only. Students who apply for student housing will benefit from a single furnished room with private bathroom and shared kitchen.</p> <p>The number of rooms being limited, we cannot guarantee to meet all accommodation requests.</p>
<p>How do students request housing ?</p>	<p>Students from partner institutions can request housing via their Mobility Online application. We encourage students to apply early in order to increase their chances of being placed in a residence hall.</p> <p>For more information about housing in university residences, we invite you to download the Housing information available on our website.</p>
<p>Student housing fees</p>	<p>Single furnished 9m²room: 254,80 €/month* Refundable security deposit: 270 €* Housing insurance: approx. between 40-60 €/year</p> <p>For more information about housing in university residences, please download the Housing information available on our website .</p> <p><i>* 2021-2022 Rates</i></p>
<p>Are residence halls open during semester breaks ?</p>	<p>Yes. University residences are open for the entire academic year (September through May) including school breaks. There are no additional housing fees during the breaks.</p> <p>Students must contact the European and International Affairs office if they need to extend their stay (for academic reasons only) for the summer (June, July, and August).</p>
<p>If university housing is not available, is there any assistance to find private housing ?</p>	<p>Students should refer to our website (https://www.univ-nantes.fr/etudier-se-former/incoming-students-venir-etudier-a-nantes/international-students-accommodation-and-housing-aid). You can also contact us to receive our International Students guide to find housing, but no more specific assistance will be given.</p>

For further information regarding logistical aspects of your mobility, please check the following page <https://english.univ-nantes.fr/student-life/pratical-information> which is full of relevant information on health coverage and health services, accommodation and housing aid, university restaurants, opening a bank account, learning French at Nantes university, student Intranet and public transport.
