Language Requirements	Courses at UZH are mainly held in German. Courses in English are offered in several fields of study. We recommend a minimum level of B2, as defined by the Common European Framework of Reference for Languages (CEFR), in the language of instruction.	
	It is the responsibility of the partner universities to nominate students that have adequate language skills. However, we reserve the right to reject students if we perceive that they will not be able to successfully follow courses and exams.	
	Students who intend to take courses in German or English Literature and Linguistics, and who are non-native speakers of the respective language, are expected to have a standard of proficiency at the level of C1 of the CEFR in the respective language.	
	In philology courses the language of instruction is often the language of the region studied. The language of instruction can be found in the Course Catalogue.
